

EMBASSY OF THE REPUBLIC OF KOREA

KEV - 23 - 956

Đại sứ quán Đại Hàn Dân Quốc tại Việt Nam kính chào Bộ Tài nguyên và Môi trường nước Cộng hòa xã hội chủ nghĩa Việt Nam và xin trân trọng đề nghị hợp tác nội dung sau:

Nhằm xây dựng mạng lưới kết nối với các quốc gia đối tác trong lĩnh vực môi trường, Bộ Môi trường Hàn Quốc sẽ triển khai chương trình “Đào tạo trình độ Thạc sỹ dành cho cán bộ công chức nhà nước tại các quốc gia đối tác trong lĩnh vực môi trường”. Đại sứ quán Hàn Quốc kính gửi các tài liệu thông tin liên quan tới chương trình nói trên và kính mong Quý Bộ hợp tác để tiến cử các ứng viên tiềm năng phù hợp trước thời gian ngày 13 tháng 10 năm 2023.

Các thông tin chi tiết khác xin vui lòng liên hệ tới 2 cơ quan chủ quản sau:

1. Viện Công nghiệp và Công nghệ Môi trường Hàn Quốc (Korea Environmental Industry & Technology Institute, KEITI), số điện thoại +82-32-540-2247/ fax: +82-32-540-2251/ email: shshin@keiti.re.kr

2. Viện Quốc tế Sau đại học Khoa học đô thị trường Đại học thành phố Seoul (International School of Urban Sciences, ISUS, University of Seoul), số điện thoại: +82-2-6490-5159/ +82-2-6490-5157/ fax: +82-2-6490-5141/ email: mglep@uos.ac.kr

Nhân dịp này, một lần nữa Đại Hàn Dân Quốc tại Việt Nam xin gửi tới Bộ Tài nguyên và Môi trường nước Cộng hòa xã hội chủ nghĩa Việt Nam lời chào trân trọng.

Hà Nội, ngày 29 tháng 08 năm 2023

Kính gửi: Bộ Tài nguyên và Môi trường

21 August 2023

H.E. Đặng Quốc Khánh
Minister
Ministry of Natural Resources and Environment
Socialist Republic of Viet Nam

Your Excellency,

It is my pleasure to inform you that the Ministry of Environment of the Republic of Korea is seeking recommendations for prospective students of Master's Program for Future Global Leaders in Environmental Policy (MGLEP). This program offers an opportunity to government officials of our partner countries to participate in a two-year graduate studies program in Korea.

MGLEP has begun since 2015 with the aim of strengthening international environmental cooperation by providing future leaders of our partner countries with an opportunity to study and research into sustainable development and environmental policies at a prestigious academic institution in Korea. The program, which is fully sponsored by the Ministry of Environment of the Republic of Korea and managed by the International Environmental Cooperation Center of Korea Environmental Industry and Technology Institution, has given the opportunities of capacity-building and learning to a total of 216 students from 34 countries so far. I am glad to let you know that the admission process for the new academic year starting in spring 2024 has begun.

In this regard, I hereby cordially invite your county to recommend one to two eligible officials of your Ministry who wish to enroll in the program. Researchers in affiliated agencies or institutions under your Ministry are also eligible for its application. Applicants are required to be fluent in both spoken and written English and have a minimum of three years of environmental work or research experience (in waste and water management, landfill, etc.).

Full scholarship will be awarded to the selected applicants who meet the admission requirements described in an enclosed program description. In addition to full tuition coverage, students will be provided with living allowances, medical insurance and other various expenses including travel costs.

Students enrolling from 2024 will study at the University of Seoul. Please refer to the enclosed program information when recommending the best-suited applicants for our program and requirements.

It would be appreciated if you could send us the application no later than October 13th, 2023.

MGLEP will not only provide valuable academic and cultural experience to participants but also contribute to enhancing cooperation between Korea and your country in the future.

I look forward to your interest in the program and cooperation with us.

Yours sincerely,

한 화 진

Han, Wha-jin
Minister, Ministry of Environment
Republic of Korea

Master's Program for Future Global Leaders in Environmental Policy (MGLEP)

1. OVERVIEW

The Master's Program for Future Global Leaders in Environmental Policy (MGLEP) funded by the Ministry of Environment of Korea is a scholarship program designed to provide the prospective leaders of partner countries with an opportunity to pursue graduate studies in Environmental Policy at a prestigious school in Korea. The program encourages participants to enhance their knowledge and experience through courses, study trips and internship aiming at developing and managing public policies on sustainable development. The program also supports the participants to build and strengthen cooperative networks with one another, environmental policy experts and governments officials in Korea. The program provides the full-ride scholarship with a monthly living allowance to help the participants to focus on the study.

2. PROGRAM DESCRIPTION

Program Offered: Master's Program for Future Global Leaders in Environmental Policy (MGLEP)

Purpose:

- To provide an opportunity for prospective leaders of countries that have close ties with Korea; to pursue graduate studies in Environmental Policy at a designated academic institution in Korea; to contribute to sustainable economic and social development of our partner countries
- To share our experience on development practices in order to promote cooperation among partner countries.

Sponsor: Korean Government (Ministry of Environment)

Stakeholders:

- Ministry of Environment(KME): Design the program and provide fund
- International Environmental Cooperation Center(IECC) from Korea Environmental Industry & Technology Institute(KEITI) : Manage and coordinate the program, Provide extra programs(networkings, internship,, etc)
- Academic Institution : Provide coursework and extra-curricular programs, and support the participants' settlement

Curriculum:

- Commonly required courses: Courses about Korea's Environmental Policy, Environmental Seminars and Field Trips
- Major required and selective courses: Depend on academic institution's curriculum
- Extracurricular courses: Korean Language and Culture

Academic institution: University of Seoul (UOS)

Total Number of Awards: 22 scholarship recipients for Batch 10

Language: English

Duration: Feb. 2024 – Dec. 2025 (2 years in maximum to obtain a Master's Degree)

3. APPLICATION ELIGIBILITY

To be eligible, candidates must satisfy the followings:

- Be citizens of the partnering countries designated by the Ministry of Environment of the Republic of Korea
- Be government officials or public sectors' employees whose work is closely related to environmental policies or sustainable development (more than three years of experience required, permanent employees only).
 - ※ For example: waste and water management, landfill, etc.
- For employees of public organizations and institutions nominated by their governments, a letter of nomination from the Ministry concerned as well as the organization where an applicant belongs are both required.
- Hold a Bachelor's degree officially recognized by the government concerned as of the date of arrival to Korea
- Have a good command of both spoken and written English
- Not have participated in any of the Korean government's scholarship programs (Master's degree or higher) before
- Have adequate health, both mentally and physically, to stay in a Korea for an extended period of time (under the age of 45 years preferred)
- Agree to return to their home country after the completion of the program
- Meet the selection criteria of an academic institution

4. SCHOLARSHIP BENEFIT (What does the scholarship cover?)

Full-ride scholarship with a monthly stipend is provided. The following expenses are included in the details of financial support by MGLEP.

- Tuition fee
- Accommodation (dormitory of academic institution)
- Living allowance (including meals): KRW 999,000 per month
- Travel expenses (airfare): Round-trip economy class ticket
- Miscellaneous travel expenses: KRW 200,000 upon arrival / KRW 300,000 when departure
- Korean Language class: full coverage
- Textbooks and materials: distributed by a designated university
- Extracurricular activities such as study and field trips during the program
- Medical checkup, twice during the period
- Insurance

5. METHOD OF APPLICATION

The Ministry of Environment of the Republic of Korea(KME) requests environment-related organizations of Korea's partner countries to recommend eligible candidates for the program. Applicants should submit all documents related to their scholarship application to University of Seoul, which will be provided with the Program Description.

※ URL : <https://www.mglep.net/mglep10>
